

Résumé

Name: Lanzheng Liu (Zayne) - [Github](#)

Email: zayneliu@hotmail.com

Soft skills

- Extremely fast learner with a lot hands on experience in coding.
- Very keen on writing clean, elegant and yet maintainable code.
- Enthusiastic with excellent problem-solving skills.
- Very passionate about new technologies.
- Dedicated to learn new skills while sharpening existing ones.
- Good presentation skills.
- Team player, exciting to be part of a team.

Tech stacks

- Fluent in `JavaScript/TypeScript` , `Python3` , `C#` .
- Other languages (e.g. `Java` , `Swift`).
- Deep understanding in OOP.
- `Linux` experiences (`Ubuntu` , `Debian` , etc.), exposure to container Technologies (e.g. `Docker`).
- Comfortable with CLI (command-line interface) with a decent understanding in GUI.
- Framework wise, I'm extremely comfortable working in `Vue.js` , `Flask` , `.NETCore` , `Node.js` , etc.

Tech stacks in depth

- Full-Stack Web Development
 - Front-end
 - `Vue.js` (version 2.x and 3.x).
 - `vite` (utilising ES Module support in browsers to speed up development process).
 - `vuex` (state management)
 - `vue-router` (SPA routing)

- Exposure to `SSR` (Server-Side Rendering)
- `HTML` , `JavaScript` , `CSS` (`Flexbox`, `Scss` , `Bootstrap`).
- Back-end
 - `REST API`
 - `Flask` , `Django` (Python web framework).
 - `Node.js` (`Express.js`, etc).
 - `ASP.Net Core` (.NET Core API Server).
 - `Swagger` (REST API Documentation).
 - Exposure to `GraphQL` , `Deno` (runtime for `JS` and `TS`).
- Database
 - No-SQL / Document Database (e.g. `MongoDB` , `CouchDB` , etc.).
 - SQL Database (e.g. `SQL Server` , `SQLite` , etc.).
 - Key-value Database (e.g. `Redis`)
- Mobile Development & Desktop Development
 - Exposure to `React Native` (TypeScript)
 - `Xamarin` (C#)
 - `Electron`
 - `nw.js`
- Web Scraping (`selenium` , `python-httpx` , `BeautifulSoup` , `request`)
- Misc.
 - `Git` / `GitHub`
 - `Markdown`

To be continued...

At the very end.

Coding/Programing is a passion to me rather than it is a job or a skill-set, I'm very interested in learning opportunities, and thrilled to be able learning new skills.

Regards,
Zayne :)
