

Resumé

Name:	Lanzheng Liu (Zayne)
Github:	https://github.com/ZayneLiu
Email:	zayneliu@hotmail.com

Education

- University of Hertfordshire (UH):
 - [2020 – 2021] MSc Software Engineering.
- Zhongyuan University of Technology (ZUT):
 - [2017 – 2019] Software Technology.

Employment

- Zhongyuan University of Technology Innovation Centre.
 - Full-stack developer. [09/2018 – 03/2019]
 - C# , Python , Vue.js

Soft skills

- Extremely fast learner with a lot hands on experience in coding.
- Very keen on writing clean, elegant and maintainable code.
- Enthusiastic with excellent problem-solving skills.
- Passionate about new technologies, problem solver.
- Dedicated to learn new skills while sharpening existing ones.
- Good presentation skills.
- Team player, exciting to be part of a team.

Tech stacks

- Fluent in C# , JavaScript/TypeScript , Python3 .
- Other languages (e.g. Java , Swift , C++).
- Unit Testing (xUnit, JUnit, etc.)
- Deep understanding in OOP.

- Linux experiences (Ubuntu , Debian , etc.), exposure to container Technologies (e.g. Docker).
- Comfortable with CLI (command-line interface) also with a decent understanding and design capability in GUI.
- Framework wise, I'm extremely comfortable working in Vue.js , .NETCore , Flask , Node.js , etc.

Tech stacks

- Full-Stack Web Development
 - Front-end
 - Vue.js .
 - HTML5 , CSS3 , JavaScript .
 - Design tools (Adobe XD , Photoshop , Sketch , etc.)
 - Back-end
 - REST API (ASP.Net Core , Flask , Node.js).
 - Swagger (REST API Documentation).
 - Database
 - No-SQL / Document Database (MongoDB , CouchDB).
 - SQL Database (SQL Server , SQLite).
 - Key-value Database (Redis)
- Mobile Development & Desktop Development
 - Electron
 - nw.js
- Web Scraping (python)
- Misc.
 - Git / GitHub
 - Azure DevOps
 - Markdown
 - ...

Currently exploring SwiftUI ..

To be continued...

At the very end.

Coding/Programing is a passion to me rather than it is a job or a skill-set, I'm very interested in learning opportunities, and thrilled to be able learning new skills.

Regards,
Zayne :)
